Army service completed
drivers license B

Education

1977-1981 primary school, Vienna
1981-1985 secondary school, Vienna
1985-1990 technical school, telekom and engineering, Vienna
1991-1997 technical university, computer science, Vienna

Career

1990-1991 Alcatel Austria: test engineer
1993-1997 TU-Wien, tutor for software engineering and microsoft office
1997 Institut für Sportstättenbau: simulation, software development
1998 Universität Wien: training und tutoring for MS Windows and MS Office
1998 Unsel and Partner: simulation and optimization of processes in wafer fabrication
1999 Siemens Austria: software development
1999-2001 ABB Airport Technologies: software development, testing
1999-2002 EveCo Software: specification and documentation, projects
2002-2010 mobilkom austria: system- und software development, IT architecture, training
2010-2013 A1 Telekom Austria: additionally: project management, operations and support
since 2013 WienIT/Wiener Stadtwerke: service level management, responsible configuration management process, CMDB architect

Training courses

ITIL	A1 Telekom Austria – certification
IPV6	A1 Telekom Austria
Risk management	mobilkom austria
Stress and conflict mgmnt	A1 Telekom Austria
Projectmanagement	mobilkom austria – certification, Wiener Stadtwerke
Timemanagement	mobilkom austria
Prozess modelling/ARIS	mobilkom austria
Patentrecht	Europäisches Patentamt, Wien
IT-Vertragsrecht	TU-Wien
Safety and Secure Systems	mobilkom austria
Simulation Technology	TU-Wien
e-Commerce	Fa. OpenShop, München
Airport Systems	multiple european airports (Munich, Athens, Zürich, Hannover)
Management for engineers	TU-Wien
Middleware	Fa. Tibco, Kalifornien
mobile comm. technology	mobilkom austria
Vereinsrecht, Veranstaltungen	Landesverband Elternvereine Wien
IT infrastructure discovery	WienIT
Sharepoint key user	WienIT

Special Knowledge

EDV
ITIL, ITSM, service and configuration management
Project management, IT project specification and implementation
Operating systems Unix, Linux, Windows, RedHat, Ubuntu/Debian

	Process modelling using ARIS Operation and development of high available and high critical IT solutions and applications TCP/IP, IP V4, IP V6 Configuring and operating mail- database and web servers, Firewalls Excellent knowledge in Linux, Ubuntu, Redhat Good knowledge in Windows Excellent knowledge in SQL-based database systems open source Excellent knowledge in HTML, PHP, Perl, Delphi teaching focused topics of IT and telecommunications installation und setup of Local Area Networks (LAN) design and implementation of various business websites First level support for Windows and Office Middleware, 3-tier architecture knowledge in programming languages c, c++, visual basic, java, SQL MS-Project, Simple (Simulation), Microsoft Sharepoint BMC ADDM Discovery, BMC Remedy Atrium CMDB, BMC Remedy ITSM
Telecommunication	SS7, SIGTRAN, GSM SIP, IMS, RCS-e Expert knowledge in SMS SMPP Logica/Acision telepath SMSC Logica/Acision feature server Openmind IMX message router Openmind Traffic Control SMSC Openmind Traffic Control Protect (Spam Protection) Openmind Traffic Control Adapt/Profile (Business Logic platform)
Landuages	german mother tongue excellent english skills dutch (basic)
Hobbies	family, homework, handicraft and gardening Administration and operating of internet servers and services for private and public organizations, NGOs Social development Proceedings in the telecomm and IT business Development of android und iOS Apps Sports (Jogging, biking, rock climbing, mountain hiking, swimming, sailing), music painting Simulation (discrete event simuation, optimization, safety engineering) Electronic steering and regulation in combination with Raspberry Pi Photovoltaics, autonomous services mesh networking (Funkfeuer Wien - 2,4 and 5 GHz frequency band) ebook author collecting antique books and local tales Lobbying and collaboration in taskgroups (Digitale Agenda Wien) Internet based questionnaires Graphical user interface design
Things to mention ...	Head of the parents association at school for multiple years, class representative, Member of the parish church board, parents representative in kindergarden, Member of the students association at the technical university, care, support and supervision of kids- and teenager groups, Manager of regional activities, support and active work in regional initiatives (June, Agenda 22) Author of Wikipedia articles
